About Page Screenshots

A screenshot of the 'About Me' section on a white background. At the top right is a 'Menu' button with a 'X'. Below it are three navigation links: 'About', 'Projects', and 'Blogs'. The main heading 'About Me' is bolded. Below it are two sections: 'Who Am I?' and 'Previous Experience'. Each section has a title, a small icon, and a detailed paragraph. At the bottom is another 'Check out my resume here.' button.

About Me

Who Am I?

Greetings! My name is Adam, allow me to tell you a little bit about myself. I'm a 21 year old from Sydney, currently studying a Diploma of Information Technology at Coder Academy. Some of my passions include sport, fitness, gaming, travelling, collecting watches, cryptocurrency and NFT's. My latest mission in life is to become proficient in full-stack web development in pursuit of a full-time career as a developer - I'm really enjoying the journey so far and cannot wait for what the future holds.

Previous Experience

I have 3 years experience in the finance and accounting industry. Straight out of highschool, I was recruited as a Junior Analyst in Global Mobility Tax. As part of the client service team, we assisted in managing the tax affairs of both inbound and outbound Australian expatriates. In particular, it was my responsibility to prepare a variety of deliverables such as; Australian income tax returns, domestic payroll, shadow payroll, tax briefings, tax equalisation calculations as well as liaising with the ATO on behalf of our clients.

[Check out my resume here.](#)

Transition to Coding

A screenshot of the 'About Me' section on a dark background. The layout is identical to the white version, with the 'About', 'Projects', and 'Blogs' links at the top right, followed by the 'About Me' heading, 'Who Am I?', and 'Previous Experience' sections. The text and icons are white or light blue.
